INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Dear Commissioner:

Pursuant to the duty of disclosure set forth in 37 CFR 1.56 and in accordance with the provisions of 37 CFR 1.97 and 1.98, Applicant hereby directs the Examiner's attention to the following references, which were only recently received by Patent Owner's representative.

Patent Owner submits that these references were mentioned in related Civil Action No. 3:07-cv-04222-MLC-JJH, by Greenville Communications LLC v. Cellco Partnership, d/b/a Verizon Wireless, *et al.*, currently pending in the District Court for the State of New Jersey, Trenton Division. As mentioned above, these references were only recently brought to the attention of Patent Owner's representative. These references are being submitted to the Office in an abundance of caution. Patent Owner's representative is unaware of the materiality of these references to the instant patent, other than the fact that they were introduced by a third party in litigation related to the patent (Patent Owner's representative handled Reexamination proceeding No. 90/010,206, of the underlying patent). Furthermore, Patent Owner's representative has not made a determination whether these references constitute prior art to the instant patent.
